BASIS INDEPENDENT™ BELLEVUE

2026-27

Admissions Family Referral Program

Thank you for helping build the BASIS Independent Bellevue community. As a token of our appreciation, your family will receive a tuition credit for each new family referred to and enrolled at BASIS Independent Bellevue. The new family will also receive a tuition credit. If a family applies and enrolls during the Regular Admissions cycle (or referring family is currently enrolled), the referring family will receive a $500 tuition credit and the new family will receive a $250 tuition credit. This opportunity applies to referrals for the 2026-27 school year.

In order to be eligible, a referring family must apply before the new family and the new family must name your family on their child's application for admission.

BASIS Independent Bellevue families are also invited to participate in the referral programs for other BASIS Independent schools. For more information on each school's referral program, please visit the applicable school's website for the terms of the school's referral program.
