School-Age Day Camp

Where every day is EPIC • Rising Grades 1 – 5

Every week, campers delve into the realms of science, nature, creative arts, and performing arts, while engaging in a medley of sports and games. Our camp promises an exceptional array of indoor and outdoor activities, including special guests and exciting on-campus events, adding an extra layer of delight and creating unforgettable moments.

Draw, Paint, Create
Campers discover their inner artist in a vibrant journey filled with brushes, colors, and boundless imagination!

Project Blueprint
Delve into simple machines and architectural design, sparking curiosity and problem-solving skills.

Color Wars
Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration and team spirit.

Summer Games
Channel your inner Olympian! Engage in friendly competitions, team sports, and challenges promoting camaraderie and sportsmanship.

Kids Helping Kids
Inspire compassion and empathy through various service projects, creating a brighter future for those in need.

Makerspace
Creativity and construction collide! Plan and build 3D objects using wood, clay, PVC, and more in our innovative Makerspace.

Myth Busters
Tease your brain! Brain teasers, puzzles, and riddles enhance logic, reasoning, problem-solving, and math skills.

Discover Lab
Collaborate and innovate! Campers solve problems and develop a love for science, technology, engineering, art, and math.

Joyful Noise
Laughter abounds as campers gain creativity and confidence through singing, dancing, and acting.

Cosmic Exploration
Embark on an extraordinary journey through the stars, exploring the wonders of the universe through stargazing and space-themed experiments.

EPIC On-Campus Events

Rising Grades 1 – 5

Foam Party

A Foam Party is a wet and wild way to flop around in foam with other campers. The inflatable pit creates a giant sudsy sensation just about anywhere... and clean up is quick and easy. It is good, clean fun for kids and grown-ups of all ages (and the foam is biodegradable, too!)

Up CLOSE with Woodland Park Zoo

Why do animals look so different from one another? How do those differences help them survive? We will learn about animal adaptations through some of their most visible characteristics. Campers will get the chance to see and touch interesting animal artifacts, and even get to meet a zoo ambassador animal to see their adaptations in action!

Scavenger Hunt

Scour the campus for clues and encounter challenges along the way. Campers will work together to problem solve, build community, and solve a mystery! Perhaps there will be a reward for the camper's hard work.

Gold Rush

There's gold in them there hills! Real gold has been discovered on campus overnight and it is the camper's job to uncover it all. Top investigation and teamwork skills are required. Be careful, though, campers might run into some sneaky bandits along the way...

Specialty Camps

Explore and expand their interests

Rising Grades 1 – 9

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

AI For Kids

In this new world, kids can cultivate their own creativity at young ages by doing projects like creating AI symphonies, working with partners and AI to create animated books, and generating AI animations. Along the way, they will gain access to a suite of tools that can help with homework in the future, build familiarity with the new AI world we are moving into, and – importantly – understand when and when not to use this powerful new tool.

Note that this is a creative class for younger students and not a coding class

Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we will create lasting memories of this diverse and breathtaking natural paradise.

Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

Kilauea Iki Crater Hike

You will start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we have explored the Halema'uma'u Crater, we transition to Oahu. There, we will continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we will pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that is nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!

Lunch

Camper are required to bring their own lunches every day. Lunch will not be provided.

Break Between Specialty Camps

If a camper is registered for two half day specialty camps in the same week, we offer supervision during the hour in between! Campers will be brought to the lunch area by their morning camp teacher and monitored by our camp staff. They will eat lunch and then go to recess prior to being picked up by their afternoon camp teacher.

Payment Policy

A one-time, \$80 non-refundable registration fee, plus a \$25 non-refundable deposit per session is required at registration. The balance of fees for summer programs will be automatically withdrawn on May 1 from the credit card on file. Receive a 5% discount off total camp tuition when registered by March 15.

Refund/Cancellation Policy (Day Camp Only)

Cancellations require a 2-week notification from the start date of the session. No refunds will be given for cancellations within 2 weeks. Refunds will not include the \$25 deposit or the \$80 registration fee. In the event the school must cancel a camp, every effort will be made to find a replacement class for the camper. If a refund is provided, it may include all fees, including deposit and registration.

Refund/Cancellation Policy (Academic, Specialty, and Sports Camps)

Cancellations must be made by April 29, 2024 to receive a refund. Refunds will not include the \$25 deposit or the \$80 registration fee.

Sibling Discount

10% sibling discount (applied to second and subsequent children only, and not applicable to Early/Late Bird).

Referral Discount

\$50 camp tuition credit to the referring family for each family referred. Referred family must list referring family name when registering in ACTIVE. Credit may only be used in ACTIVE; no check or cash bonuses.
