EPIC On-Campus Events

Rising Transitional Kindergarten – Grade 5

Wednesday Water Day and Friday Fun Days

Each week we plan an awesome afternoon experience based on the theme of the week. During Luau Week the courtyard will be transformed into a tropical island paradise and for Wonderland Week the campers will believe they have arrived at the magical world of Alice in Wonderland. During these afternoons campers will enjoy a special treat, engage in water activities, embark on a scavenger hunt or participate in large group games. Our 'camper built' Splash Pad, is an engineering marvel, that will keep everyone cool on hot summer days

Tuesday Dress Up Day

Every week will have its' own theme and each Tuesday we will have a special way to dress up. For Holiday Week you can wear your favorite Halloween Costume and for Dinosaur Week we will be using our imagination to style our hair the 'Dinosaur Way'.

Tea Party and scenes from Alice in Wonderland

During Wonderland Week our very talented Theatre Campers will arrange a Tea Party for the other campers and then put on a show of select scenes from Alice in Wonderland.

Parents and Grandparents of our actors will be invited to a special Friday morning show.

Program

Special two-week Leadership Program

Are you interested in gaining professional experience while working hands-on in a fun summer camp setting? The C.I.T. program gives teens the opportunity to develop important job and life skills through training, hands-on experience, and evaluation. C.I.T.s will attend workshops that will enhance skills like communication, conflict management, time management, basic youth development, program development, and leadership. Throughout the two weeks, the group will bond as a team as they participate in their own exciting camp activities including a field trip to a high ropes course. During the second week the group will plan and implement activities for the younger campers.

Here are just a few of the workshops provided for C.I.T.s:

- Program planning and leading camper activities
- Health and safety, and managing risk
- Coaching and mentorship, and receiving feedback
- Interview skills and expected behavior in a workplace

Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we'll create lasting memories of this diverse and breathtaking natural paradise.

Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

Kilauea Iki Crater Hike

You'll start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we've explored the Halema'uma'u Crater, we transition to Oahu. There, we'll continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we'll pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that's nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!

2024 Camp Policies

Water Bottle and Lunch

Please bring a water bottle, lunch, and at least 2 snacks (we do not provide lunch or snacks). If we contract with a lunch vendor, we will send you information prior to the summer.

Sunscreen

Apply sunscreen to your child prior to coming to camp and provide a hat they may wear during outside play time. Campers may bring their own sunscreen, but will have to know how to apply it themselves, as counselors cannot assist.

Payment Policy

A one-time, \$80 non-refundable registration fee, plus a \$25 non-refundable deposit per session is required at registration. The balance of fees for summer programs will be automatically withdrawn on May 1 from the credit card on file. Receive a 5% discount off total camp tuition when registered by March 15.

Refund/Cancelation Policy (Day Camp Only)

Cancellations require a 2-week notification from the start date of the session. No refunds will be given for cancellations within 2 weeks. Refunds will not include the \$25 deposit or the \$80 registration fee. In the event the school must cancel a camp, every effort will be made to find a replacement class for the camper. If a refund is provided, it may include all fees, including deposit and registration.

Refund/Cancelation Policy (Academic, Specialty, and Sports Camps)

Cancellations must be made by April 29, 2024 to receive a refund. Refunds will not include the \$25 deposit or the \$80 registration fee.

Sibling Discount

10% sibling discount (applied to second and subsequent children only, and not applicable to Early/Late Bird).

Referral Discount

\$50 camp tuition credit to the referring family for each family referred. Referred family must list referring family name when registering in ACTIVE. Credit may only be used in ACTIVE; no check or cash bonuses.
