

PROGRAM QUICK FACTS

BASIS Independent Manhattan

Experience the top ranked BASIS Curriculum in a state-of-the-art school in one of America's most dynamic cities.

What happens when best practices from top education systems in the world, places like Singapore, Finland, and Shanghai, are infused with the creativity and spirit that defines American education? BASIS Curriculum Schools!

Our program, rooted in the liberal arts and sciences, is recognized as the gold standard in preparing students with the content knowledge, critical thinking skills, and creative problem solving skills that open up a world of possibility, of unlimited potential, in whatever pursuit they seek.

The Borough of Manhattan

- › Home to famous landmarks such as Central Park, Times Square, and The Metropolitan Museum of Art.
- › Numerous public parks and walkways.
- › Easy and readily-available transportation. The best of New York City is all around you!
- › Campus rooftop recreation and gathering area for students with views of the Hudson River.
- › Access to a number of cultural and social opportunities such as concerts, sports games, cinemas, and museums.

The Five Boroughs of New York City

The Bronx, Brooklyn, Manhattan, Queens, and Staten Island, all within walking distance or by hopping on a short subway ride, offer unique experiences, diverse dining options, and historical and modern attractions.
