45 min	World History II	World History II	World History II	World History II	World History II

Example; exact courses and sequence are subject to change. *World Language options: French, Latin, Mandarin, and Spanish.

Chemistry is really fun! The labs are really exciting! We are more mature and have more experience so we gain more trust with our teacher and she allows us to run the labs ourselves.

> Grade 7 Student

My kids are challenged by the curriculum and love the school. It is a culture where being smart is not just respected but celebrated, and the teachers are very driven to inspire students. After three years at the school, I am truly impressed by the caliber of the faculty.
